Summary of Major Revisions
to the
USF St. Petersburg 2005-2006 Campus Parking Brochure

Violations:
Deleted references to “auto immobilization device” as it is not a penalty at St. Petersburg campus.

Special Events:
Costs for special events parking may vary, therefore the reference to “$3.00 per vehicle for event parking” has been deleted.

Use of Permits on Multiple Campuses:
Deleted references to Park-n-Ride and Medical Resident permits. St. Petersburg does not have these permits and the remote lot is no longer available.

“USFSP student permits will be allowed in the USF Tampa student and Park-n-Ride lots only....” (italics added) This is better for our students than the current wording, which restricts USFSP permit holders to visitor and Park-n-Ride lots, and is consistent with the current wording of the Tampa brochure.

Supporting documentation: Prepared by: Office of the General Counsel
General Information
Parking permits are required to park at the University of South Florida St. Petersburg 24 hours a day, seven days a week. Permit types are used to designate parking locations on campus. Parking spaces are designated as gold, green, and time limited visitor spots in select locations. Some lots have multiple designations. These designations remain in effect 24 hours a day, seven days a week.

Individuals may purchase only one vehicle hangtag permit. USF hangtag permits may be transferred between same owner vehicles only. A limited number of adhesive permits are available for those with soft-top vehicles and/or special circumstances only.

If you terminate your relationship with the University for any reason, please return your parking permit to the Parking Services Department for a pro-rated refund and/or to cease a payroll deduction.

Visitors
A visitor is any person who is not a member of the University community on ANY of the USF campuses. Students, faculty, staff, vendors/contractors, affiliates, or licensees do not qualify for visitor parking access and may be issued citations for parking in spaces designated as visitor parking only. Normally, visitors should purchase or make prior arrangements to buy a $3.00 daily visitor permit through the cashier’s office located in BAY 132. This applies to all non-community members who are on campus for special events, classes of any type, library use, seminars, workshops, conferences, camps and related events. Those individuals who are on campus rarely and for short periods (e.g. less than 15 minutes, or occasional visitors picking up USF information/class schedules) may obtain a free courtesy permit at the Welcome Center on the SW corner 2nd ST & 5th AVE S.

Occasional Visitors may park free in designated visitor spaces only.

Hangtag/---Permits must be displayed hanging from the vehicle’s rearview mirror with the logo side facing out. Hangtags must be clearly visible from the exterior of the vehicle. Hours of Enforcement
Parking is enforced 24 hours a day, 7 days a week including holidays, and academic breaks. This is because USFSP frequently has activities, several programs and special events during these times.

Violations 2005-2006
Parking Services assesses fines and penalties for violations of parking regulations. Violations include the following:
- Unauthorized parking in a Disabled space - $275 fine
- Blocking access to a Disabled space/ramp - $275 fine
- Displaying an altered/stolen/lost/revised/counterfeit decal/permit - $125 fine, parking for one year restricted and/or loss of campus parking privileges
- Unauthorized removal and/or damage to clamp - $125 fine, replacement or repair cost to device and parking for one year restricted

The Department has the authority to waive, amend, or grant exceptions to these regulations.

The Parking Services Department will make every effort to ensure that parking space is available to anyone who purchases a parking permit through enforcement of these regulations. Due to limited number of parking spaces on campus, enforcement of parking regulations is important even during off-peak periods. A concerted effort is made to enforce regulations as uniformly as possible. Those who park illegally for the sake of convenience invariably cause inconvenience to others. We appreciate your patience and consideration.

Special Events

Event parking in many large metropolitan universities can be a challenge. The goal is to assure our guests and visitors have a positive parking experience at the beginning and end of their stay on campus.

Events may reoccur from year to year and become an integral part of the campus environment, however anything outside of the normal business and academic schedule for the University is considered a special event. Examples include but are not limited to: Workshops, Meetings, Conferences, Banquets, Ceremonies, Performances, Camps and Seminars.

Parking arrangements must be made for staff, volunteers, vendors and guests. The current cost for parking may vary for these events. Event parking is $3.00 per vehicle.

Parked is only available in select parking lots and will be designated by the Parking Services Department. During peak times of campus usage, off campus participants will need to make arrangement for parking with parking facilities off campus. If an event is small enough and held during off peak times, limited spaces may be available on campus, however, a fee will be involved. A well planned event allows attendees to focus on the event and leaves them with an enjoyable experience and the feeling that they would like to return in the future.

Parking arrangements must be properly coordinated to make it part of this enjoyable experience. A minimum of three (3) weeks advance notice is required to properly coordinate these events.

Camps and Conferences

USF has many Academic and Athletic camps and conferences. Parking arrangements for these camps and conferences vary depending on the time of the year and location.

It is necessary for sponsors of the camp or conference to make arrangement for parking and secure permits for participants, coaches, staff, etc. This means that the Parking Services Department must be consulted at the beginning of the planning process for the event.
