Subject: GOVERNOR'S OFFICE REQUEST FOR IMMEDIATE ESTIMATES ON  
         HURRICANE RECOVERY COSTS

REQUEST FOR IMMEDIATE ESTIMATES ON HURRICANE RECOVERY COSTS  
NOT COVERED BY INSURANCE OR FEMA

The Office of Planning and Budgeting, Executive Office of the Governor, has requested that the  
state universities today identify and estimate those hurricane recovery costs that are not covered  
by insurance or will not be reimbursed by FEMA.

The Governor's Office needs the information this afternoon (Sept. 28) and has given a 3 p.m.  
deadline.

Items should be categorized as:

- Hurricane-resistance facility enhancements (for example, roof reinforcements beyond  
  those required by code)
- Additional operating costs (for example, housing for displaced students)
- Hurricane response equipment (for example, generators, communications equipment,  
  etc.)

Any information your institution can provide on this short notice will be helpful.
